

CHS Car-Share Schemes

- ✓ **Car-sharing is economical, good for the environment and could significantly reduce traffic congestion resulting in shorter journeys due to fewer cars being on the road.**
- ✓ **Car-sharing is a great way to “buddy up” and make new friends and for CHS families to interact with each other.**

- Car-sharing is when two or more people share a car and travel together.
- It can be as formal or informal as you like.
- We operate a pupil/parent scheme
- We operate a separate staff scheme, pupils cannot travel with staff as part of the scheme.
- CHS will compile a list of car-sharers and share the details with those in the scheme so they can make contact to discuss sharing arrangements.
- We will require your name, address, contact number, email address, number of passengers (and year group/s) and any other information or comments you feel might be relevant to a potential car share partner.

We already have potential car-sharers in: Bramhall, Cheadle Village, Gatley

Only you can decide who you are happy to travel with. It is advisable to check all the legal driving documents, such as driving licence, car insurance, MOT and car tax whether you know the driver or not.

If you are interested in participating, or have any queries, please contact sarahcalthorpe@chschoo.co.uk or telephone 0161 488 3339.
